

Kayondo Wasswa Hassan

Area of interest: Mathematical Statistics

Email: hkayondo@cns.mak.ac.ug or whkayondo@gmail.com

Qualifications

2011-2012: Master of Science (Technology) with Technomathematics as the major subject; Lappeenranta University of Technology, Finland.

Research topic: Novel Regression Methods For Spectral Data

2008-2011: Master of Science in Mathematics; Makerere University, Uganda.

Research topic: Markov Chain Prediction Of The Recurrence Of Common Diseases In A Community And Their Corresponding Proportions

2004-2007: Bachelor of Science with Education; Makerere University.

Work Experience

- Assistant Lecturer at department of mathematics, Makerere University (August, 2012 to date).
- PhD in Mathematics (Statistics option) student at Pan African University, Nairobi, Kenya (February, 2015 to date).
